CMR – Confirmation of insurance cover – Policy number 000-4645-9552 - GENERALI Versicherung

Dear Sirs,

We confirm the cover of the road carrier's liability insurance you've underwritten with the Insurance Company Generali Versicherung AG, which covers any transport of goods carried with your own car pool, or with vehicles of sub-contractors.

The worldwide coverage comprises your liability as a national and international carrier of goods by road.

The insurance coverage includes your liability as a carrier in national and international road transport. The policy limit for loss and damage to goods amounts

- Euro 300,000.00=. for domestic and international transports under CMR Convention;
- Euro 300,000.00=. by wilful misconduct and gross negligence;
- Euro 300,000.00=. for cargo insurance all risks on third party account.

The Policy will be renewed automatically if you don't send to the Insurer written notice of termination at least 90 days before the 31.01.2024, the annual renewal date.

The above intends to confirm only that the insurance contract has been concluded. Please refer to the policy conditions for full details of all terms, conditions and exclusions. Furthermore, we strongly recommend that you should read carefully the contract's obligation.

For further information Jochen Pichler is always at your disposal.

Yours faithfully

Assibroker International Srl-GmbH
