

How to use Omnia and its benefits

Uploading documents and printing pallet labels made
simple and fast

Why use Omnia

Benefits for the sender

Accessibility and organization

All documents are **stored in one place**, easily accessible. It is possible to monitor who views the information.

Operational efficiency

Omnia **simplifies data collection**, reducing the time required for administrative tasks.

Error reduction

Thanks to the **automated system**, errors in document completion and pallet label printing are minimized.

Document upload

Benefits of document upload

Faster unloading of goods from carriers delivering to Fresh Ways.

Real-time access, for the receiving customer to all shipment-related documents

Immediate verification of uploaded documents (reducing errors and delays).

A **single link** to upload transport and customs documents.

Maximum speed.

Clear and readily available information (always organized and easily accessible).

How to upload documents with Omnia

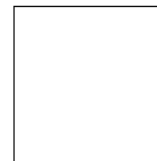

When the shipment is taken in charge, **you will receive a link** to upload the necessary documents.

How to download the label

From the **same link used to upload the documents**, you can access the summary screen and download the label in A4 format.

La tua spedizione N. 14286

Data arrivo / approntamento	Mittente	Destinazione	Quantità di pallet	N.ordine
24/02/2025			1	

Applica l'etichetta sui tuoi bancali

Scarica il PDF con i dati della tua spedizione e posizionalo su ogni bancale. Questo ci aiuta a riconoscere più facilmente la merce, velocizzando i tempi di scarico per i tuoi vettori e riducendo al minimo il rischio di errori
